Allowable Subject Matter

Claim 1 and 3-10 are allowed over the prior art.

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowed because the examiner found out that the prior art in the record earlier than the filing date (09/25/2003), taken alone or in combination, does not teach or suggest a second conductive member (see Fig. 3, 24) that is spaced apart from, and opposed to a support surface of the chuck (20) and is electrically interconnected to a test signal of an electrical device (see Fig. 3, 18). Claims 3-10 are dependent on claim 1 and are allowed accordingly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
